## Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure students never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

### 1. Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
  - DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
  - DfE (2020) 'Adapting teaching practice for remote education'
  - DfE (2020) 'Guidance for full opening: schools'
  - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
  - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
  - **[New]** DfE (2020) 'How schools can plan for tier 2 local restrictions'
  - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - **[New]** Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

### 2. Contingency planning

- 2.1 The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable students and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

#### **Tier 1 local restrictions**

- 2.6 The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

### **Tier 2 local restrictions**

- 2.7 The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.
- 2.8 The school will adopt a rota system which will require a combination of remote learning and classroom-based learning to be provided. The rota will allow for **two** weeks at home and **two** weeks in school.
- 2.9 Children of critical workers and vulnerable children will be able to access full-time on-site provision. Attendance for these students will be prioritised and strongly encouraged.
- 2.10 When considering remote learning in a rota system, teachers will:
- Set assignments so that students have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
  - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure students' understanding.
- 2.10 Students who will be unable to engage effectively in remote education at home due, e.g. to a lack of devices or quiet space to study, might be considered vulnerable and, therefore, able to attend full-time on-site provision.

### **Tier 3 local restrictions**

- 2.12 The school will limit on-site attendance to just vulnerable children and children of critical workers. All other students will receive remote education in line with section 3 of this appendix.

### **Tier 4 local restrictions**

- 2.14 The school will limit on-site attendance to just vulnerable children and young people. All other students will receive remote education in line with section 3 of this appendix.

## **3. Teaching and learning**

- 3.1 All students will have access to high-quality education when remote working.

Work booklets  
Quizzes  
Email

Past and mock exam papers  
MS Teams  
Educational websites  
Reading tasks  
Live webinars  
Pre-recorded video or audio lessons

3.3 Teachers will ensure lessons are inclusive for all students and can be adapted to account for the needs of disadvantaged students and students with SEND.

3.4 When teaching students who are working remotely, teachers will:

- Set assignments so that students have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure students' understanding.
- Plan a programme that is of equivalent length to the core teaching students would receive in school, ideally including daily contact with teachers.

3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable students to cope with the workload – the **head teacher** will assess this need, keeping students' best interests in mind, and will not take the decision lightly.

3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

3.8 The school will utilise the support available through the DfE's 'Get help with technology during Coronavirus (COVID-19)' scheme.

3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of students if they do not have access to a digital device or the internet through other means:

- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
- Children in all year groups who are unable to access remote education whilst attending school on a hospital site

3.10 Before distributing devices, the school will ensure:

- The devices are set up to access remote education.
- Appropriate safeguarding controls and support are in place to help students and their families use the devices safely.

3.11 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to students' homes, ensuring infection control measures are adhered to as part of this process.

#### 4. Returning to school

- 4.1 The **head teacher** will work with the LA to ensure students only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the **head teacher** will inform parents when their child will return to school.
- 4.3 The **head teacher** will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

#### 5. Monitoring and review

- 5.1 This policy annex will be reviewed in line with any updates to government guidance.
- 5.2 All changes to the policy will be communicated to relevant members of the school community.
